BCAC recognizes that some supporters want to help BCAC, but do not wish to receive any of the benefits of a Be A Hero sponsorship. We appreciate and welcome your support, and are happy to provide recognition in the manner your organization prefers.

For those supporters who cannot use all of the benefits of sponsorship, please consider donating any portion of the benefits back to BCAC. Your extra generosity is sincerely appreciated and allows us to include our staff and partners at the celebration.

Baltimore Child Abuse Center invites you to join us at our 6th Annual Be A Hero gala on Friday, May 10th. To date, Be A Hero has raised more than $1 million to protect thousands of children in Baltimore. Funds raised at Be A Hero have been vital in offering services to children whose lives have been impacted from abuse, violence and other trauma. Each year, hundreds of guests and community sponsors celebrate local heroes, and join together to stand up against child abuse.

Join us for a remarkable evening at the Hippodrome At France Merrick Performing Arts Center, for a seated dinner, open bar, silent and live auctions, and our featured keynote speaker Aly Raisman. Raisman captured the hearts of millions as she became the first American gymnast to win gold in the floor exercise and she helped guide the team to gold landing a silver medal performance in the All-Around competition at the 2016 Games. Raisman has been vocal about sharing her journey, including her survival of sexual abuse. She advocates for systematic changes within the sport of gymnastics and works to help eradicate sexual abuse in youth sports overall.

As a sponsor, you will be a part of the excitement along with more than 750 guests and honorees.

$10,000 Advocate Sponsor

Each year BCAC provides expert medical examinations to over 700 children. These are children who have been subjected to abuse, live in unsafe conditions, are entering foster care or are in need of critical tests. BCAC’s Board Certified Child Abuse Pediatrician and Forensic Nurse Examiner can identify trauma that often goes undetected and make sure children as young as six months get the medical care they need. $10,000 enables 20 children to receive a thorough medical examination.

$5,000 Hero Sponsor

One of the most important aspects of a children’s advocacy center like BCAC is to have a child-friendly environment. BCAC’s inviting space has warm colors, soft furniture, healthy snacks, and supportive activities, all staffed by an extraordinary team of child care professionals and Manny, our trained facility dog. $5,000 gives 25 children access to our continuum of care that puts caregivers at ease and acclimates children so they feel comfortable sharing what happened to them.
